●**Live by God's WORD** (45 minutes)

Good evening, faithful Life Group Leaders. As you know, summer is a time that many of our members are traveling to various destinations. In addition, the congregation will hear different sermons at each worship service for a few weeks.

We hope you do not, completely, lose contact with your Life Group members. If you decide to have a lesson, during your meetings this summer, please use the same question that is always the last question that has been the last question on your lesson sheet for the past few years.

It allows each person, who heard different sermons, that Sunday, to share what he/she received from that sermon. Each person can respond and share what those things mean to him or her.

Please, enjoy your summer, and be sure to remember your leaders, church staff, pastors and members in your prayers.

Here is the question to use for discussion. Remember, some in your group, may have heard a different sermon that Sunday. Please, use this question for your meetings during the Summer. You may allow a member to share what he/she heard in a different sermon. It may bless the group.

Suggested Question for Discussion and Growth

1. What did you hear in the sermon that helped you in your relationship with God and others?

●**Impact God's WORLD** (20 min)

1. There are lots of lonely people around us. Look for opportunities to make a connection.
2. Take time to pray those you know, who are unbelievers. How can you influence them?

ANNOUNCEMENTS – 3 minutes:

1. Share: ●any planned group activity ●important church announcements ●next meeting time
2. You should have a copy of the church bulletin to help remind the group of important events.

CLOSING – Please turn in your attendance each week. It helps us evaluate our progress.
