

Dearest Life Group Leaders,

Thank you for your faithfulness in leading your groups. For the time being, I will not be sending a prepared Bible Lesson from the Sunday sermon. You and your group should take a few sermon notes for your own spiritual growth. You can still use some of those points for discussion in your group meeting. It should be very profitable, if you **KEEP IT SIMPLE**. Everyone, in the group, should be able to participate. Remember to, always, use Question #4, which you have been using at every meeting. Let's try this, for a while. In the meantime, I will be meeting with Brother Tim, and we will discuss another simple way to study together, which should be a blessing to your group.

Your faithfulness and cooperation is highly appreciated.

Pastor Martin
